WeidenbennerThis fun book is full of bright illustrations and rhyming sentences. Kids will enjoy the story, but so will grandparents.3 of 3 people found the following review helpful. Highly recommendBy Amber P.I love how the book rhymes the entire way! It's a great book that keeps my kids entertained and the illustrations are beautiful!1 of 1 people found the following review helpful. Five StarsBy Jean WilsonAwesome

This book is written to capture the imagination of a child. It's a story of a small boy and a grandfather that take an imaginary trip through caves and deserts only to find they never left their own backyard. Children don't need to be taught imagination, but we as adults need to do everything in our power not to hinder theirs.
